

## ANTHONY WAYNE JUNIOR GENERALS BASEBALL CLUB

July 20, 2011

Dear Players and Parents:

We are pleased to announce the AWJGBC try-outs for the 2012 season. As in previous years, we will not be accepting players from outside the Anthony Wayne Area School District.

All players that want to be considered for a team must attend a tryout so that they can be evaluated. Each age division will have three tryout sessions. Please note, it is the age your son is on April 30<sup>th</sup>, 2012 that decides which team he should try-out for. For example, if your son is 13 on April 30<sup>th</sup>, 2012, he should try-out for the U-13 Team. One other consideration is your son's grade. For example, if your son is in 7<sup>th</sup> grade in the 2011-2012 school year, you should consider having him try out for the U-13 team, even though he might be able to play U-12 from an age standpoint. You want to play try and play with your grade if you can. The try-out schedule is as follows:

Each player will register once they arrive. All players will be evaluated by using the same rating system. There is no guarantee that a player who was on one of the AWJGBC teams in 2011 will make the 2012 AWJGBC team for next season. Once the tryouts are done, coaches and evaluators will select the best players. Please note, depending on interest and skill, if we have enough players at a certain age level we may have two teams.

The player fees for 2012 will be \$550/player. There will no other fundraising other than each team is required to provide TWO (2) \$500 SLEEVE SPONSORS. Player fees will be due on 12/1/11. Players will not be allowed to participate in the winter practices until the fee is paid. Each team will play approximately 30-40 games which will include up to 4 tournaments. We start winter practices in the beginning of February.
